

Dear colleagues,

**The 4<sup>th</sup> French-Czech “Barrande” Nuclear Research workshop** will be held in the Mont Saint-Michel, from **Tuesday 10<sup>th</sup> October until Thursday 12<sup>th</sup> October 2023**.

#### Program:

We are planning to propose an exciting scientific program on the following topics :

- Biological and medical applications
- Nuclear energy and technologies
- Nuclear Astrophysics
- Instrumentation and facilities

#### Registration :

Registrations are open until Monday 4<sup>th</sup> September 2023 on the workshop webpage:

<https://barrandewks2023.sciencesconf.org/>

#### Transportation

A charter bus will be organized from Roissy Charles de Gaulle airport (Paris) to Mont Saint-Michel on Tuesday 10<sup>th</sup> October 2023.

A charter bus will be organized for the return.

More details can be found on the workshop webpage.

#### On site organisation:

The seminar room will give a breathtaking view of Mont Saint-Michel and its bay!

All participants will spend nights in on-site hotels nestled in buildings classified as “historic monuments”.

If you are interested in discovering all assets of this magnificent place classified as a UNESCO World Heritage Site since 1979, please visit this link:
